

## EDI to host workshops at the ALP Spring Conference

---

EDI is pleased to be Headline Conference Sponsor for the ALP Spring Conference (Association of Learning Providers) being held on 13-14 May 2009 in Nottingham. The focus of the event will be on examining the strategic vision and policy planning direction for the FE Sector.

In addition to sponsoring the event, EDI is hosting the following workshops:

- **QCF - framework for the future**  
This workshop will provide you with a simple introduction to the QCF, exploring how it works, how it differs from the NQF, and most importantly, what it will mean for your learners.
- **Exploring good practice in Functional Skills delivery**  
This workshop will focus on clarifying the new requirements of Functional Skills and will explore issues of delivery, how these can be addressed and what kind of support is needed in order to help learners achieve.
- **Foundation Learning Tier - making it work**  
This workshop will examine how learning providers can deliver flexible and accessible learning which meets the aims of FLT and the needs of learners.
- **Delivering 14-19 reform: why diplomas must succeed**  
This workshop provides a fresh perspective on general qualifications from a Diploma Awarding Body.
